

# **ABOUT THE STUDY OF THE BOOK OF JOHN**

by

**Dr. Lewis R. Woodard, D. Min.**

## ***Dear Student of The Word,***

I would strongly encourage you to personally examine the claims of Jesus Christ for yourself. Many people reject Biblical Christianity without ever considering what the Bible actually says about Jesus Christ.

I would challenge you to objectively examine the evidence. We would suggest that you simply read the Gospel of John, which is one of the 66 Books of the Bible. It is not a long book. It consists of 21 chapters. If you carefully read a chapter a day it would take less than a month to finish the book. It is best to take your time and read it slowly and thoughtfully. There is no need to rush.

As you read, pay special attention to the following:

- 1) Who is Jesus Christ? What does the Gospel of John tell us about who He is? Who does Jesus claim to be? Was He merely a good teacher or prophet, or was He more than this?
- 2) According to the words of Jesus Christ Himself, what can He do for the human heart?
- 3) What is eternal life and how can it be obtained?

After you have finished reading the Gospel of John, we would like to hear from you.

**The purpose of this study:** The study was written in such a way (question/answer format) that the person can see for him or herself what the Bible really says about who Jesus Christ is, what He has done for us and the necessity of putting our faith in Him.

For the person doing this study: Please answer the following questions by looking up the Bible verses which are given, all of which can be found in the Gospel of John.
