

# The DNC's Hillary: “*The Candidate of Extinction*”

By

Dr. Lewis R. Woodard

Just about four years ago, I wrote an article entitled "THE HEEBIE JEEBIES" [*see following web address*] (<http://www.lrwm.org/id66.html>). The article (without apology then or now) was about the then President of the United States Barack Obama. I wrote that Obama needed to be voted out of office. He should not be elected for another four years. Well, all of that is history. We know that Obama was elected and I believe he has been one of the worst, if not **THE** worst, president in my lifetime (*then, of course, there was Jimmy Carter*).

We are now faced with another decision as to who should be our next president. **Bernie “Socialist”** will not be the Democratic choice to run for president. However, with the success he has had in the Democratic primaries, you can be assured he has had a tremendous influence on the Democratic Platform (what the Democrats stand for) as well as being promised a position of great importance, if the Democrat nominee is elected president. I remind you that Socialism is about as close to communism as you can get without being called a communist. (The Democratic Party, as well as Bernie Sanders and Hillary Clinton, now call themselves “*Progressive*,” which is a cover word for “*Socialist*,” Liberal.)

The Democratic choice who will run for the office of President of the United States is **Hillary Rodham Clinton: *Candidate of Extinction***. She will be the one who continues Barack Obama's plan for the extinction of coal, oil, gasoline, free enterprise, liberty, babies, the elderly, good healthcare, Christian liberty, etc, etc, etc.

### ***Partial Resume for Hillary Rodham Clinton:***

Lawyer, Bill Clinton’s wife, former First Lady of Arkansas, former First Lady of the United States, former Junior Senator of New York, former U.S. secretary of state, Benghazi, supporter of murdering unborn children (abortion; Planned Parenthood), supports same sex marriage, voted against the tax cuts of 2001 and 2003, email controversy, Whitewater controversy, Travelgate, Filegate, Hillary Rodham cattle futures controversy. Clinton is rated a “*Hard-Core Liberal*” according to *OnTheIssues.org* scale, which is based on her public statements on social and economic issues. She is rated more liberal than Barack Obama, “as liberal as Elizabeth Warren and barely more moderate than Bernie Sanders.”

### **Clinton Quotes: (only 3)**

1. Hillary Clinton said the Lewinsky scandal was a “*vast right-wing conspiracy*.” (The Lewinsky affair led to the Impeachment of President Bill Clinton by the House of Representatives, and the Senate voted not to impeach. Five Republicans joined all 45 Democrats in supporting full acquittal.)

2. Hillary Clinton’s October 24 speech supporting Martha Coakley, the Massachusetts Democratic gubernatorial candidate, covered standard progressive themes urging a larger state, as well as this attention-grabbing remark: “*Don’t let anybody, don’t let anybody tell you that, ah, you know, it’s corporations and businesses that create jobs.*”

### **3. Quote from Clintons-Benghazi-hearing**

“With all due respect, the fact is, we had four dead Americans! Was it because of a protest or was it because of guys out for a walk one night who decided they'd go kill some Americans? **What difference at this point does it make?**”

I have presented some of Hillary Rodham Clinton’s credentials as she runs for President, of the United States of America. I have listed only three (3) of her quotes. Whether you vote for her as President or not, is entirely up to you. I will say this, if you vote for her, you are voting for someone who advocates the murder of children (abortion). If elected, she will continue efforts to make extinct much of what we hold dear in this country.

By  
Dr. Lewis R. Woodard

I personally cannot vote for her if for no other reason than that she advocates the slaughter of our unborn that God says he knew before they were even conceived in the womb (Jeremiah 1:5; etc.). If you do not believe the Bible, I will say this: go ahead and vote for Hillary Rodham Clinton.

## **AND NOW THE 2016 Democratic Party Platform July 21, 2016 (In Part) As Approved by the Democratic Platform Committee July 8-9, 2016 - Orlando, FL**

The following is taken from the Democratic platform. As with apostates of the Bible and heretics of the past and present, who mix a little truth with a whole lot of error, I have listed only a little of the “*whole lot of error*” found in the Democratic Platform of 2016. I have listed where the following can be found, paragraph and page, in the Democratic Platform of 2016.

### ***Raising Workers’ Wages***

<sup>1</sup> 7<sup>th</sup> paragraph page 3 & 1<sup>st</sup> paragraph of page 4

Democrats believe that the current minimum wage is a starvation wage and must be increased to a living wage. No one who works full time should have to raise a family in poverty. We believe that Americans should earn at least \$15 an hour and have the right to form or join a union and will work in every way we can—in Congress and the federal government, in states and with the private sector—to reach this goal. We should raise the federal minimum wage to \$15 an hour over time and index it, give all Americans the ability to join a union regardless of where they work, and create new ways for workers to have power in the economy so every worker can earn at least \$15 an hour. We applaud the approaches taken by states like New York and California. We also support creating one fair wage for all workers by ending the sub-minimum wage for tipped workers and people with disabilities.

**(COMMENT: This will cause food prices to go up, restaurant prices to go up, force companies to unionize, a loss in jobs, and etc.)**

### ***Protecting and Expanding Social Security***

<sup>2</sup> 4<sup>th</sup> paragraph page 6

We will make sure Social Security’s guaranteed benefits continue for generations to come by asking those at the top to pay more, and will achieve this goal by taxing some of the income of people above \$250,000.

**(COMMENT: Higher taxes.)**

### ***Creating Jobs for America’s Young People***

<sup>3</sup> 3<sup>RD</sup> paragraph page 10

That is why Democrats will provide direct federal funding for a range of local programs that will put young people to work and create new career opportunities.

**(COMMENT: Higher taxes.)**

<sup>4</sup> 1<sup>ST</sup> paragraph page 11

And we must hold both individuals and corporations accountable when they break the law.

**(COMMENT: This is to me a laughable, but not funny, sentence coming from a group who has shielded their own from prosecutable offences.)**

# The DNC's Hillary: “*The Candidate of Extinction*”

By

Dr. Lewis R. Woodard

<sup>5</sup> 3<sup>rd</sup> paragraph page 12

At a time when many of the largest banks have shunned communities across America, Democrats believe that we need to give Americans affordable banking options, including by empowering the United States Postal Service to facilitate the delivery of basic banking services.

**(COMMENT: More government control of people’s money. More taxes to have more government control to sustain an independent(?) agency of the United States government.)**

<sup>6</sup> 5<sup>th</sup> paragraph page 14

Democrats support removing the Confederate battle flag from public properties, recognizing that it is a symbol of our nation's racist past that has no place in our present or our future.

**(COMMENT: Only those who do not know and recognize the importance of our country’s history view the Confederate flag as a symbol of racism. Only those who place the title “racism” on things or people are those who are like “war mongers” never satisfied, who stir up and cause hate among their own people. We as citizens are either ALL Americans in this country or we are not. We are supposed to be “one nation under God.” Using the term racism is a “copout” for excusing, or not taking responsibility as an American.)**

## *Reforming our Criminal Justice System*

<sup>7</sup> 3<sup>rd</sup> paragraph page 15

Democrats are committed to reforming our criminal justice system and ending mass incarceration. Something is profoundly wrong when almost a quarter of the world’s prison population is in the United States, even though our country has less than five percent of the world’s population. We will reform mandatory minimum sentences and close private prisons and detention centers. Research and evidence, rather than slogans and sound bites, must guide criminal justice policies.

**(COMMENT: No punishment for law breakers goes against what the DNC Platform says in 1<sup>ST</sup> paragraph page 11.)**

<sup>8</sup> 4<sup>th</sup> paragraph page 15

We will work with police chiefs to invest in training for officers on issues such as de-escalation and the creation of national guidelines for the appropriate use of force.

**(COMMENT: No appropriate action for crime. This would be like having a watch dog without teeth.)**

<sup>9</sup> 1<sup>st</sup> paragraph page 16

We think the next President should take executive action to ban the box for federal employers and contractors, so applicants have an opportunity to demonstrate their qualifications before being asked about their criminal records.

**(COMMENT: Once again, no incentive to do right instead of doing wrong. No repercussions for doing wrong.)**

# The DNC's Hillary: “*The Candidate of Extinction*”

By  
Dr. Lewis R. Woodard

<sup>10</sup> 3<sup>rd</sup> paragraph page 16

Because of conflicting federal and state laws concerning marijuana, we encourage the federal government to remove marijuana from the list of “Schedule 1” federal controlled substances and to appropriately regulate it, providing a reasoned pathway for future legalization.

**(COMMENT: Have a country filled legally with dope heads as when prohibition was stopped filling the country with alcoholic drunks. By the way: how much of our tax dollars go for treating a so called disease of alcoholism? How much will it cost in taxes to treat the “disease” of ‘Dope Head’?)**

<sup>11</sup> 4<sup>th</sup> paragraph page 16

We will abolish the death penalty, which has proven to be a cruel and unusual form of punishment. It has no place in the United States of America. The application of the death penalty is arbitrary and unjust.

**(COMMENT: Don’t believe the Bible? (Genesis 9:6) Then vote Democratic.**

## ***Fixing our Broken Immigration System***

<sup>12</sup> 2<sup>nd</sup> paragraph page 17

We should repeal the 3-year, 10-year and permanent bars, which often force persons in mixed status families into the heartbreaking dilemma of either pursuing a green card by leaving the country and their loved ones behind, or remaining in the shadows. We will work with Congress to end the forced and prolonged expulsion from the country that these immigrants endure when trying to adjust their status.

**(COMMENT: Let all murderers, terrorists, un-American, anarchists, enter the country at will. Oh! Wait a minute. They are already here as the next point of the DNC Party Platform points out.)**

<sup>13</sup> 3<sup>rd</sup> paragraph page 17

Those immigrants already living in the United States, who are assets to their communities and contribute so much to our country, should be incorporated completely into our society through legal processes that give meaning to our national motto: *E Pluribus Unum*.

**(COMMENT: Democratic Platform says: let those who are here illegally stay without having gone through the proper way of immigrating into our country. Who cares as long as they and their relatives vote Democratic?)**

<sup>14</sup> 4<sup>th</sup> paragraph page 17

And while we continue to fight for comprehensive immigration reform, we will defend and implement President Obama’s Deferred Action for Childhood Arrivals and Deferred Action for Parents of Americans executive actions to help DREAMers, parents of citizens, and lawful permanent residents avoid deportation. We will build on these actions to provide relief for others, such as parents of DREAMers.

We will support efforts by states to make DREAMers eligible for driver's licenses and in-state college tuition. We will invest in culturally-appropriate immigrant integration services, expand access to English language education, and promote naturalization to help the millions of people who are eligible for citizenship take that last step.

**(COMMENT: Let all illegals enjoy the same and even greater rights than those who are LEGAL citizens of the U.S.! By the way: this means your tax dollars at work.)**

By  
Dr. Lewis R. Woodard

## *Guaranteeing Lesbian, Gay, Bisexual, and Transgender Rights*

<sup>15</sup>1<sup>st</sup> paragraph page 19

Democrats applaud last year’s decision by the Supreme Court that recognized that LGBT people—like other Americans—have the right to marry the person they love.

**(COMMENT: Don’t believe the Bible? [Romans 1:18-32] Then vote Democratic.)**

### *Appointing Judges*

<sup>16</sup>6<sup>th</sup> paragraph page 25

We will appoint judges who defend the constitutional principles of liberty and equality for all, and will protect a woman’s right to safe and legal abortion,

**(COMMENT: Want more babies murdered? Want more judges who “unlawfully” pass laws? Then vote Democratic.)**

## **Combat Climate Change, Build a Clean Energy Economy, and Secure Environmental Justice**

### *Building a Clean Energy Economy*

<sup>17</sup>3<sup>rd</sup> paragraph page 27

We are committed to getting 50 percent of our electricity from clean energy sources within a decade, with half a billion solar panels installed within four years and enough renewable energy to power every home in the country. . . . We will make new investments in public transportation and build bicycle and pedestrian infrastructure across our urban and suburban areas.

**(COMMENT: If you look forward to walking everywhere and riding a bicycle as a means of your primary transportation, then vote Democratic. But, I guarantee you Hillary Clinton and others who push for getting rid, entirely, of coal and oil production in our country, will still fly in their private jets and motor around in their SUVs. By the way, is Hillary poor? According to tax records and other informing agencies, [last that I have seen] Hillary and Bill have a monetary worth of 45 million dollars (\$45,000,000). Of course, if Hillary and Bill divide what is “his” and “hers” then Hillary is worth a paltry sum of only 22 and one half million dollars (\$22,500,000).**

<sup>18</sup>4<sup>th</sup> paragraph page 28

We support President Obama's decision to reject the Keystone XL pipeline. As we continue working to reduce carbon dioxide, methane, and other greenhouse gas emissions,

**(COMMENT: Are you against using oil in your car, or oiling your sprocket chain on the bicycle you will soon be riding if Democratic policies continue? Then vote Democratic.)**

<sup>19</sup>2<sup>nd</sup> paragraph page 29

The fight against climate change must not leave any community out or behind—including the coal communities who kept America’s lights on for generations. . . . We will also oppose threats to the public health of these communities from harmful and dangerous extraction practices, like mountaintop removal mining operations.

## Ensure the Health and Safety of All Americans

<sup>20</sup> 2<sup>nd</sup> paragraph page 34

We will fight Republican efforts to roll back the clock on women’s health and reproductive rights, and stand up for Planned Parenthood. And we will tackle the epidemics of substance abuse and gun violence, which each claim tens of thousands of lives every year.

**(COMMENT: That’s right, Democrat. Stand up for Planned Parenthood who is in the business of murdering babies and selling baby parts for huge profits to help the DNC in elections. Are you against what the Bible teaches and are for murder? Then vote Democratic.)**

### *Securing Reproductive Health, Rights, and Justice*

<sup>21</sup> 2<sup>nd</sup> paragraph page 37

Democrats are committed to protecting and advancing reproductive health, rights, and justice. We believe unequivocally, like the majority of Americans, that every woman should have access to quality reproductive health care services, including safe and legal abortion—regardless of where she lives, how much money she makes, or how she is insured. We believe that reproductive health is core to women’s, men’s, and young people’s health and wellbeing. We will continue to stand up to Republican efforts to defund Planned Parenthood health centers, which provide critical health services to millions of people. We will continue to oppose—and seek to overturn—federal and state laws and policies that impede a woman’s access to abortion, including by repealing the Hyde Amendment. We condemn and will combat any acts of violence, harassment, and intimidation of reproductive health providers, patients, and staff. We will defend the ACA, which extends affordable preventive health care to women, including no-cost contraception, and prohibits discrimination in health care based on gender.

**(COMMENT: The majority of Americans do not believe in murder: abortion. There is no such thing in the eyes of God as “legal murder.” Again, the DNC Platform, stands up for Planned Parenthood who is in the business of murdering babies and selling baby parts for huge profits to help the DNC in elections. Are you against what the Bible teaches and are for murder? Then vote Democratic. Affordable health care for women is another way of saying abortion, murder.)**

### *Preventing Gun Violence*

<sup>22</sup> 1<sup>st</sup> paragraph page 39

While responsible gun ownership is part of the fabric of many communities, too many families in America have suffered from gun violence. We can respect the rights of responsible gun owners while keeping our communities safe. To build on the success of the lifesaving Brady Handgun Violence Prevention Act, we will expand and strengthen background checks and close dangerous loopholes in our current laws; repeal the Protection of Lawful Commerce in Arms Act (PLCAA) to revoke the dangerous legal immunity protections gun makers and sellers now enjoy; and keep weapons of war—such as assault weapons and large capacity ammunition magazines (LCAM’s)—off our streets.

**(COMMENT: Don’t punish the wrong doers [ DNC Part Platform in part: 3<sup>rd</sup> paragraph page 15; 4<sup>th</sup> paragraph page 15; 3<sup>rd</sup> paragraph page 16; 4<sup>th</sup> paragraph page 16; etc, etc.], take away the rights of law abiding citizens by using “smoke screens”)**

## Iran

<sup>23</sup> 2<sup>nd</sup> paragraph page 43

We support the nuclear agreement with Iran....

**(COMMENT: One of the worse mistakes the Democrats, Obama and Hillary have ever made with a godless country. Iran hates Americans and our Saviour Jesus Christ.)**

## Women and Girls

<sup>24</sup> 2<sup>nd</sup> paragraph page 46

We will support sexual and reproductive health and rights around the globe. In addition to expanding the availability of affordable family planning information and contraceptive supplies, we believe that safe abortion must be part of comprehensive maternal and women’s health care and included as part of America’s global health programming. Therefore, we support the repeal of harmful restrictions that obstruct women’s access to health care information and services, including the “global gag rule” and the Helms Amendment that bars American assistance to provide safe, legal abortion throughout the developing world.

**(COMMENT: By doing what this section of the 2<sup>nd</sup> paragraph of page 46, as others, means continually opening the door for more tax assisted murder. Have you noticed how much the Democratic Platform advocates murdering babies? Agree with the DNC concerning murder? Then vote Democratic.)**

Am I telling you to vote Republican? Am I telling you to vote Independent? Am I telling you to vote Democratic? I am actually not telling you how to vote. How you vote is entirely up to you and God. As Herod tried to have our Saviour Jesus Christ murdered there are factions in our country who not only want to murder babies, there are also those who advocate the murder of the elderly. If something does not change I am sure something like the Bill Roe verses Wade will be passed by an ungodly court that will give a legal right to openly end the life of elderly people. Oh! Wait a minute. There is an organization doing that already. They simply operate under the guise of helping people die with dignity. It’s still murder!

## GOD'S PLAN

**Question:** Who is good enough to go to Heaven?

**Answer:** NONE

Romans 3:10 *"As it is written, there is none righteous, no not one;"*

**Question:** Who is a sinner?

**Answer:** ALL

Romans 3:23 *"For all have sinned, and come short of the glory of God;"*

**Question:** Why are people sinners?

**Answer:** BECAUSE OF ONE MAN: ADAM

Romans 5:12 *"Wherefore, as by one man sin entered into the world, and death by sin; so death passed upon all men, for that all have sinned:"*

**Question:** What happens because of sin?

**Answer:** DEATH

Romans 6:23a *"For the wages of sin is death;...."*

**Question:** If all people are sinners, and the wage (payoff) for sin is death (both physical and spiritual), does that mean no one will go to Heaven?

**Answer:** NO, CHRIST PAID FOR OUR SIN

Romans 5:8 *"But God Commendeth his love toward us, in that, while we were yet sinners, Christ died for us."*

**Question:** What is eternal life?

**Answer:** A GIFT

Romans 6:23b *"....but the gift of God is eternal life through Jesus Christ our Lord."*

**Question:** So, what does all this mean?

**Answer:** It means that all people in this world are sinners. No one can go to Heaven on their own because everyone is a sinner. No one is good enough (without Christ) to go to Heaven. Because no one is good enough to go to Heaven, (everyone is a sinner), God sent His Son, Jesus, who died so that we could have eternal life. Christ not only died, He rose from the grave, alive! (1 Corinthians 15:4 *And that he was buried, and that he rose again the third day according to the scriptures:*)

**Question:** Exactly what would you have to do in order to make sure of Heaven?

**Answer:** CALL: PRAY, ASK JESUS TO SAVE YOU:

Romans 10:13 *"For whosoever shall call upon the name of the Lord shall be saved."*

Accept the fact that you are a sinner. Accept the fact that you cannot save yourself. Accept the fact that Jesus died and rose from the dead (He's alive) for you.

**PRAY:** *"Lord, I know I'm a sinner. I know I wouldn't go to Heaven if I died right now. Please forgive me of my sins, and come into my heart. I am praying this prayer, believing in my heart, taking You at Your Word (the Bible) that by asking You to come into my heart, I am now ready for Heaven.*

*Thank You, Lord, for saving me!"*

**REMEMBER:** Romans 10:13 *"For whosoever shall call upon the name of the Lord, shall be saved."*

Let me know if you have decided to trust Jesus as your Saviour. I want to rejoice with you and send you **FREE** material that will help you as a new Christian.
